Dear John,

**Thank you for dedicating your time and effort to fundraise for our charity**

Thank you for all your fundraising efforts and for very kindly donating £500 raised during a football tournament and BBQ in memory of your good friend, Steve Smith.

The money you have raised will help us fund targeted research, provide expert information and support to patients and their families, educate the public and professionals about the disease and campaign for early diagnosis and access to best treatment and care.

Our vision is a future where nobody dies of bowel cancer but we can't achieve this alone. It's because of people like you that we can continue to save lives and improve the quality of life of everyone affected by bowel cancer, so thank you for helping us to achieve this.

If you would like any more information about our work, please don't hesitate to get in touch with us on 020 7940 1769 or email [community@bowelcanceruk.org.uk](mailto:community@bowelcanceruk.org.uk).

To keep up to date with our latest news and events you can follow us on twitter [@bowelcanceruk](https://twitter.com/bowelcanceruk) or search for us on Facebook.

Thank you again for choosing to fundraise for us, we are truly grateful for your support.

Together we will stop people dying of bowel cancer.

With best wishes,

Karolina Kurek  
Community Fundraising Officer
