Dear John

I am writing on behalf of Beating Bowel Cancer to thank you for forwarding on the donation of £100 from AJB Cleaning in lieu of their fee and in memory of Steve Smith. I have written to Andy Brace from AJB Cleaning to thank him for his support and generosity.

Beating Bowel Cancer is the support and campaigning charity for everyone affected by bowel cancer. We provide vital practical and emotional help – on the phone, digitally and face to face. We're proud to run the UK's only nurse-led specialist helpline for bowel cancer which patients call a 'lifeline'. We bring patients together to share invaluable experience and support, through our website, social media and major events.

Our high impact campaigns have led to the introduction of the bowel cancer screening programme, which is helping save lives, as well as new funding and greater patient access to life-changing cancer treatments.

Thank you again for your previous support and for sending the donation. If you would like to know more about our work then please do visit our website at www.beatingbowelcancer.org.

With kindest regards
